Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

RECEIVED
DEC 03 2002
Technology Center 2100

Sir:

In reply to the September 26, 2002 Office Action, and further to the personal interview conducted on November 6, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claim 16 as follows:

16. (Twice Amended) A system that generates physical objects usable to control a presentation, comprising:
a controller that associates at least one control element with at least one control element identifier;
a generator that provides a tangible, sensible identification-carrying device with the at least one control element identifier that identifies a function associated with the at least one control element; and
